Welcome to the rough guide of the strange world of dults.

Have you ever found yourself surrounded by a large herd of older people? Have you ever been confused by the way some of them try to engage with you? Have you ever wondered why some behave so strangely when they talk to you? Then this guide is just what you need! It will identify many of the dults you might encounter on a typical day and you will learn how to ~~not~~ react to their strange behaviors.

Remember, most dults aren't dangerous, they're just weird!

Let's get started...
